## A MESSAGE FROM THE WINDSOR TOWNSHIP BOARD OF SUPERVISORS

As we have reported in past newsletters, plans have been underway for the construction of a Community Center for many years. The Community Center will be located at 1005 Lombard Rd. and will include a gymnasium which will accommodate basketball, volleyball and pickleball. A multi-purpose room with a turf style floor, a social hall for meetings, classes and rentals and a warming kitchen as well as office areas will complete the balance of the center.

At the Windsor Township Board of Supervisors meeting on January 6, 2025, the bids for construction of the Community Center were awarded to the five (5) prime contractors. The Township obtained two (2) Redevelopment Assistance Capital Program (RACP) grants plus a grant from the Pennsylvania Department of Community and Economic Development (DCED). The balance of the costs will be paid with tipping fees received from Modern Landfill.

Construction was slow getting started due to the wet weather that we experienced during the spring months. Great progress has been made the last couple of months. It is anticipated to be completed in the Spring/early Summer of 2026.

## RECENT ZONING ORDINANCE AMENDMENT

The Township has made several amendments to the Zoning Ordinance to address residents' concerns regarding lot coverage and limits to the size of residential accessory structures. Previous ordinance regulations limited the maximum size of residential accessory structures. Additionally, regulations varied depending on the zoning of the property. Newly adopted regulations remove the maximum size limits on residential accessory structures. The amendments include making regulations uniform across all zones. Setbacks based on building height and all other requirements still apply as previous. The Township has prepared a guide for residents to assist with the permitting process.

In addition to amendments to residential accessory structure sizes, the Township has increased maximum lot coverage limits in all zones. This amendment will allow property owners to utilize more of their property for improvements.

The complete Zoning Ordinance and guides for permits can be found at [www.windsortwp.com](http://www.windsortwp.com) or at the Township office.

## DELINQUENT SEWER BILLS AND WATER SHUT OFFS

Due to the number of properties in the Township that are delinquent on their quarterly sewer bills, the Board of Supervisors entered into agreements with the York Water Company and the Red Lion Municipal Authority to shut off public water to properties that are delinquent on their sewer bills. Any delinquent account that has not been paid within thirty (30) days of receiving the next quarterly bill will receive a notice that the delinquent amount is due within thirty (30) days. If the delinquent amount is not paid in full by the due date, water termination procedures will be started.

The water termination process is as follows:

- A ten (10) day notice is mailed and posted at the property requiring **payment in full plus an administrative processing fee which is an additional \$30.00**. Payment must be made at the Township Office by either cash or money order. Personal checks as well as online banking checks will be returned.
- Once seven (7) days have passed and payment in full plus the administrative processing fee have not been paid, a three (3) day notice is posted. Another \$15.00 is added to the amount owed. Again, **payment must be made in full plus the administrative processing fees** at the Township Office by either cash or money order. Personal checks as well as online banking checks will be returned.
- Once eight (8) days have passed and payment in full plus the administrative processing fees have not been paid, a 48-hr. notice is posted. Another \$15.00 is added to the amount owed. Again, **payment must be made in full plus the administrative processing fees** at the Township Office by either cash or money order. Personal checks as well as online banking checks will be returned.
- Once the ten (10) days have passed and payment in full plus the administrative processing fees have not been paid, the appropriate water company is contacted to shut off the water. The cost to shut off and restore water service is a total of \$30.00 for the York Water Company and a total of \$150.00 for the Red Lion Municipal Authority. Again, **payment must be made in full plus the appropriate shut off/restoration fee and administrative processing fees** at the Township Office by either cash or money order. Personal checks as well as online banking checks will be returned.

We encourage the payment of the quarterly bill by the due date to ensure that there will be no interruptions of your water service.

If you mail your payment, pay at the Township Office or pay at Orrstown Bank, it is important to include the bottom portion of the invoice as it contains your account number. At the least, please write your account number on your check.

## CREDIT CARDS BEING ACCEPTED FOR PAYMENT OF QUARTERLY SEWER BILLS

Sewer customers can pay their sewer bill with a credit card. To make a payment with a credit card, go to the Township's website ([www.windsortwp.com](http://www.windsortwp.com)) and scroll down until you see the link for online sewer payments. VISA, Mastercard and Discover are accepted. There is a \$2.95 convenience fee per transaction. The maximum payment amount is \$350.00 per transaction.

Payments with a credit card are NOT accepted at the Township Office.

### Weekly Line Dancing Class

Get ready to kick up your heels, boot scootin' every Monday Night at the Golden Connections Community Center for Beginner/Improver Line Dance Classes with Line Dance Instructor Jean Carter! With 20 years of experience teaching line dancing up and down the East Coast—8 of those right here at GCCC—Jean brings the energy, the rhythm, and the fun! We're beyond lucky to have her leading the way each week. The Monday Night Line Dance Lineup begins at 5:30 p.m. with Basic Step Line Dance lessons from 5:30 – 6:30 p.m. and then followed-up with a Beginners Class from 6:30 p.m. – 8:00 p.m. every Monday Night. These classes cost \$3.00 per person. Walk ins are welcome and lessons are open to the public. BYO water bottle—you will work up a sweat! So, grab your dancing shoes, bring your friends, and come join the fun. Whether you're a total newbie or looking to brush up on your steps, Monday nights at GCCC are where the magic happens! See you on the dance floor!

### Open House & Health/Wellness Fair

The Golden Connections Community Center is thrilled to open our doors to the community for our 4th Annual Open House & Health/Wellness Fair on Friday, September 19, 2025, from 9:30 a.m. – 1:00 p.m. The Community is invited to come explore all the GCCC has to offer! Whether you're curious about our programs, looking to connect with local resources, or just want to enjoy a fun-filled day, this event is for you! The community will have the opportunity to join members of the GCCC for sample classes of some of our most popular programs. The Community will also have the opportunity to stroll through and discover valuable health and wellness resources at the Health Fair. Raffles, 50/50, a silent auction, and food trucks will also be on site. Bring your friends and family and enjoy a day of fun, learning, and connection with your local senior population.

### Makers Market

Get Ready for the 2nd Annual Makers Market! The Golden Connections Community Center is thrilled to announce the return of our Makers Market on October 18th, 2025! This exciting event is the perfect place to showcase your talents, find unique handmade treasures, and support a great cause. We're looking for food vendors, crafters, and demonstrators to fill our space—both indoors and outdoors—so if you have something amazing to share, now's your chance!

Vendor spaces are available for \$35 without electric, \$60 with electric, and \$20 for outdoor spaces. Every dollar raised goes directly toward programs and services that benefit older adults in our community. Whether you're signing up as a vendor or just coming to shop, you'll be part of something truly special.

Don't miss out on this fantastic event! To receive a Vendor Registration Brochure or for more details, contact Kasie Ream, Executive Director, at 717-244-7229 or [executivedirector@gcccenter.com](mailto:executivedirector@gcccenter.com). Spread the word and invite your friends and family—let's make this year's Makers Market bigger and better than ever!

### Connecting, Empowering, and Enriching Lives at the GCCC!

Since its founding, the Golden Connections Community Center has been dedicated to empowering older adults in the Red Lion and Dallastown areas, helping them stay active, engaged, and independent within a thriving community. Our mission is simple—to provide a welcoming space where seniors age 60 and above can connect, grow, and enjoy a variety of free services and programs designed to enhance their overall well-being.

## 7 Ways to Save the Bay

**RECYCLE**-The average American discards 1.5 tons of garbage a year. Recycle just one aluminum can and save enough energy to power a TV for 3 hours.

**TAKE YOUR CAR TO A CARWASH**- Your driveway is a first class, non-stop ticket to the Bay for dirt, soap and chemicals.

**PICK UP AFTER YOUR PET**- You wouldn't bathe with the bacteria and pollutants pet waste contains... Why swim with them, or eat fish that do.

**BUY LOCAL FOODS**- Did you know that most foods you eat travel 1,300 miles before they get to your plate? Buying food that's grown on local farms minimizes transportation-related emissions. It also keeps local farmers in business—which is good for Bay lands and, ultimately, Bay water quality.

**PLANT A TREE**- Clean the air, cool the earth (and your home). Provide habitat for wildlife.

**CONSERVE WATER**- Take shorter showers. Turn off the water while you're Brushing your teeth, washing your hands, or doing dishes in the sink. By reducing your use of water, you help wastewater treatment plants function more effectively by reducing the volume they process.

**REDUCE ELECTRICITY**- Besides auto emissions, coal-burning power plants are among the largest sources of mercury and nitrogen compounds in air pollution.

**Bradley E. Ream, EMS Manager • [rlaaa@redlionambulance.com](mailto:rlaaa@redlionambulance.com) • 717-244-0983**

Greetings to all residents of Windsor Township!

Red Lion Area Ambulance Association (RLAAA) continues to provide top quality emergency service to the residents of Windsor Township as well as First Capital EMS (FCEMS) even as the call volume continues to increase every year.

RLAAA offers an Annual Ambulance Subscription that runs January 01-December 31, which helps to offset the cost of an emergency ambulance transport to the hospital. We also have a reciprocal agreement with all surrounding emergency services to honor each other's subscription. If you did not receive your annual application in the mail,

please contact our office or FCEMS for your appropriate application!

Do you have a group that would like a tour of the ambulance building and the ambulances? Contact our office to schedule a time to come by and take a look.

Have a Great Holiday Season!

## ON-LOT DISPOSAL SYSTEM (OLDS) MANAGEMENT PROGRAM

Earlier this year residents within District #1 were notified of their requirement to comply with the OLDS Management Ordinance. District #1 covers all properties served by on-lot septic systems west of Delta Road and extending to the Township boundary with North Hopewell Township, Felton Borough and Chanceford Township. If you received a notice and have not yet taken steps to have your system pumped/inspected and if necessary, brought to full ordinance compliance, please do so prior to the end of the year.

It has been brought to our attention that pumping companies are sending out letters that do not reflect our pumping cycles. Please do not have your septic system pumped without first getting a letter from the Township, unless it is necessary to do so. If you have your septic system pumped outside of your scheduled year, you will still be required to have your septic system pumped during your normally scheduled year.

If you have questions as to whether you have complied or what year you are scheduled to have your septic system pumped, please contact the Township Office. Noncompliance will result in penalties.

# WINDSOR TOWNSHIP FIRE & EMERGENCY RESCUE ASSOCIATION

Have you thanked a volunteer firefighter lately? Fire protection services are provided to Windsor Township and its residents by volunteer firefighters. These volunteers spend countless hours of their free time working tirelessly to keep us safe during our darkest time. Please consider supporting their efforts in every way possible including donations. New recruits are always welcome!

Each year the Township offers two (2) \$1,000 scholarships through the Windsor Township Fire & Emergency Rescue Association. To be eligible for the scholarships, the recipients have to be a member or family of a member who volunteers with one of the three (3) fire companies that serve Windsor Township.

At the Windsor Township Board of Supervisors meeting on July 21, 2025, a scholarship was awarded to Aidan Yahnke and Sadie Gibney. Aidan recently graduated from Kendard-Dale High School and will be attending Harrisburg Area Community College to study Fire Science. Sadie recently graduated from Red Lion Area School District and will be attending Millersville University to pursue a Bachelor's Degree of Graphic Design. CONGRATULATIONS AIDAN AND SADIE!

Come to Windsor Commons Shopping Center on Saturday, October 4, 2025 from 10:00 a.m. to 2:00 p.m. to celebrate Fire Safety Week. There will be various pieces of fire equipment from the fire companies that serve the Township as well as goodies for the kids!

## WINTER TIPS

Below are some helpful reminders of municipal regulations and practices related to winter precipitation:

- Once a Snow Emergency has been declared, all motor vehicles **MUST** be removed from all Township streets to allow road crews to properly remove snow from the roads. The Snow Emergency will be announced on the local television stations as well as on our website and Facebook page.
- Snow Emergencies are typically declared when significant amounts of snow are being forecasted. We are noticing that more and more cars are being parked on the street during snow events which makes it harder for the trucks to plow. Based on this, a Snow Emergency may be declared more often for lesser snow storm events.

When clearing snow from your driveway and standing at your house looking down your driveway, pile snow to the right of your driveway. Also, the Township suggests clearing an area of roadway to the left of your driveway. This will give the snow a place to empty before reaching your driveway.

- Please do not deposit any snow onto public streets; this act is prohibited by the Snow Emergency Ordinance.
- Sidewalks must be kept clear of snow/ice within 24 hours after each storm event to provide pedestrian access regardless of whether a snow emergency has been declared.
- If you see that a neighbor hasn't removed the snow/ice from their sidewalk, check with them to see if there are health problems that have prevented the sidewalk from being cleared. If there are health problems, enlist the help of other neighbors to get the sidewalk cleared before calling the Township.
- If you go out of town during the winter months, have a plan in place with a neighbor or friend to remove the snow/ice from your sidewalk.
- If the Township Office receives a complaint that a sidewalk is not cleared of snow/ice, the entire development is checked for compliance. The Township does not remove the snow/ice from the sidewalk.
- If you live near or have a fire hydrant on your property, please keep it cleared to allow emergency services to be able to quickly locate and access them in case of an emergency.
- Check your mailbox post to see if it needs to be replaced. As of August 2014, the Township will not compensate property owners should their mailbox be damaged during snow removal.

## BUILDING PERMITS

Building Permits are required for most projects. Contact the Township Office at (717) 244-3512 if you have a specific project upcoming. Some examples that require permits are additions, sheds, carports, new or replacement patios or decks, resurfacing or enlargement of driveways, fences and above ground, inground or temporary swimming pools.

Windsor Township strives to process applications for permits as quickly as possible. It may take up to 15 business days to issue a Building Permit once it has been submitted. A completed application includes an entirely filled out application form and a plot plan for the entire lot identifying all existing and proposed improvements, including dimensions (length and width) on the lot (including house, driveway, sheds, patios, decks, sidewalks, etc). Depending on the project, additional information may be required for submission.

No work can be started until a Building Permit has been issued and the placard card has been placed in a location that can be seen from the street.

## NOTARY SERVICE

Notary service is available at the Township Office free of charge as long as the document being notarized pertains to Township business such as an OLDS exemption certification. Please call the Township Office at (717)244-3512 to make sure that the notary is available.

# YARD WASTE, RECYCLING, & GARBAGE COLLECTION

## LEAF COLLECTION

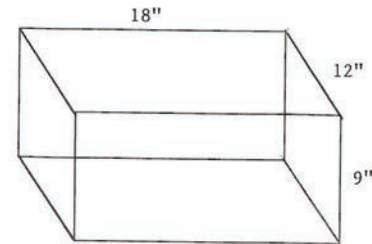

Leaf collection will run from October 13, 2025 through December 5, 2025. The Township uses a leaf collector that is self contained and is operated by one person. This eliminates the need for rakers. Remember to rake leaves as close to the edge of the blacktop/curb as possible in narrow rows away from fences, posts, poles or cars. Tree limbs, grass, shrubs and hedge trimmings, bricks, stones or any foreign objects are not to be deposited in the leaves. If foreign objects are found, the leaves will not be collected.

## SPRING LEAF COLLECTION

The Township will hold a spring leaf collection program again next year. It will run from April 13, 2026 through April 24, 2026. All aspects of the fall collection will apply during the spring collection.

## SHREDDING EVENT

The Township will again be sponsoring a shredding event on **Thursday, October 9, 2025 from 3:00 p.m. to 6:00 p.m.** at the Township Office located at 1480 Windsor Rd., Red Lion. This event is a free event for Township residents only. **Photo identification is required.** NO BUSINESSES. There is a two (2) box limit. A box is defined as 18 inches long/9 inches high/12 inches wide.

## WOODY WASTE DROP OFF & CURBSIDE COLLECTION

The Township is still offering a drop off location for woody waste. The woody waste drop off will take place the 2nd Saturday of selected months from 8:00 a.m. to 11:00 a.m. at the Public Works Building located at 970 White Oak Rd., Windsor. The drop off dates for the rest of 2025 and all of 2026 are as follows:

|                    |                |                    |                   |
|--------------------|----------------|--------------------|-------------------|
| September 13, 2025 | March 14, 2026 | July 11, 2026      | October 10, 2026  |
| October 11, 2025   | April 11, 2026 | August 8, 2026     | December 12, 2026 |
| December 13, 2025  | June 13, 2026  | September 12, 2026 |                   |

The drop off is for residential woody waste only. Our employees will be on hand to assist with unloading the woody waste. **This service is available to Township residents only. Photo identification will be required.** There is a six (6) ft. length limit as well as a six (6) inch diameter limit. Woody waste brought to the drop off location does not need to be bundled. **NO commercial businesses. NO grass clippings, tree stumps, sawdust, mulch, bamboo, flower debris or bagged debris.**

The Township will continue to provide a **curbside woody waste collection** during the months of May and November. The next curbside collection is scheduled for **Saturday, November 8, 2025 for the entire Township.** The date of the spring curbside collection will be announced after the first of the year. These collections will deal with brush and tree trimmings only.

- The trimmings must be **bundled and tied with twine** in 4 ft. lengths or placed in a biodegradable bag. Biodegradable bags are sold at most home improvement stores. Woody waste may be considered contaminated if it is bundled with anything other than twine or is mixed with other types of solid waste. Contaminated woody waste would then have to be considered municipal waste and would require disposal at the incinerator. This of course would defeat the benefits of recycling woody waste.
- Material should be one quarter to three inches in diameter.
- There is no limit to the number of “qualifying” bundles or bags that can be placed out for collection.
- **NO TRIMMINGS IN GARBAGE BAGS OR CANS.**
- **NO GRASS CLIPPINGS.**
- **NO TREE STUMPS.**

# YARD WASTE, RECYCLING, & GARBAGE COLLECTION

## RECYCLING PROGRAM

The restrictions on contamination placed on recycling materials exported to China continue to be in effect. **Only the below listed items are a part of the program.**

### Acceptable Items:

- Aluminum food and beverage containers with food debris removed. **Labels do not need to be removed.**
- Glass food and beverage containers with **lids and food debris removed**: Clear, Brown, Green. **Labels do not need to be removed.**
- Natural and pigmented plastic narrow-neck containers with symbols 1,2,5 (milk bottles, water bottles, etc.) **Lids and food debris removed. Labels do not need to be removed.**
- Ferrous (Iron, steel, tin) cans with **food debris removed.**
- Newsprint – black and white or pigmented.
- Beverage cartons (milk, orange juice, etc.)
- Corrugated cardboard cut down small enough to fit into the recycling bin.

### Non-Acceptable Items:

- Construction paper, craft paper, cereal boxes, shoe boxes, or similar.
- Printer paper, computer paper, copy paper.
- Junk mail.
- Magazines, catalogs.
- Phone books.
- Aerosol cans.
- Window or auto glass, drinking glasses, mirrors
- Light bulbs
- Microwave trays, glass cookware/bake ware
- Plastic bags
- Styrofoam salad/deli containers
- Household items such as cooking pots, appliances and aluminum foil
- Batteries
- Scrap metal

**Wheeled toters with lids for your recycling are still available free of charge from Republic Services.** If you don't have one or there wasn't one at your home when you moved in, please contact the Township Office (717-244-3512) to make arrangements to have one delivered.

**MUST I RECYCLE?** Yes. Pennsylvania law requires all Windsor Township residential and commercial properties to recycle. All recyclable materials must be removed from the regular trash. This is not only the right thing to do environmentally, but it saves money in disposal costs.

As in the past, recycling should not be put out for collection in plastic grocery bags. It will not be collected.

The recycling and trash collections are provided to the residents of Windsor Township at **NO CHARGE**. The cost of collection is paid by Modern Landfill as a part of the Host Community Agreement.

## ELECTRONICS RECYCLING COLLECTION

The Township will continue to provide an electronics event twice a year, in the spring and fall. The April event was very successful. The Township would like to thank Boy Scout Troop #28 and their leaders for their help.

The October collection date is Saturday, October 25, 2025 from 9:00 a.m. to noon at the Public Works Building located at 970 White Oak Rd. **This service is available to Township residents only. Photo identification will be required.** Check the Township website ([www.windsortwp.com](http://www.windsortwp.com)) next year for the spring date.

Materials accepted includes televisions, desktop and laptop computers, computer monitors, peripherals (mouse, keyboard, printer, etc.) as well as cell phones, vacuum cleaners, alarm clocks, irons, coffee makers or anything with a plug that does not contain Freon. Examples of items containing Freon include refrigerators, freezers, air conditioners and dehumidifiers.

If you have electronics to dispose of either before or after our event, the York County Solid Waste Authority accepts electronics free of charge to York County residents **ONLY**. They are located at 2651 Blackbridge Rd. (Toronita Street off Rt.30). When you arrive at their facility, go in the main entrance and proceed to the scales. You will then be directed to the small load drop-off facility. They can be reached at 717-845-1066 for their hours and what items they accept.

# YARD WASTE, RECYCLING, & GARBAGE COLLECTION

## COMPACT FLUORESCENT LIGHT (CFL) BULB RECYCLING

Just a reminder that CFL bulbs can still be brought to the Township Office for recycling. Bring your **unbroken** CFLs to the Township Office during normal business hours and we will take it from there. Sorry, we cannot accept tube fluorescent bulbs. This is only for CFL bulbs.

## CHRISTMAS TREE COLLECTION

Christmas may seem like a long way off but it will be here before we know it. Christmas tree collection will be **Saturday, January 10, 2026 FOR THE ENTIRE TOWNSHIP**. The tree must be free of ornaments, garland and tinsel. **NO PLASTIC BAGS**. The maximum tree height is 6 feet.

## GARBAGE AND LARGE ITEM COLLECTION

Just a reminder that there is a four (4) bag/container limit on your weekly trash service. Each bag/container, when filled, may not weigh more than 75 lbs. nor exceed a volume of 32 gallons. If you are using a toter supplied by Republic Services, the toter is considered 3 bags of garbage. Therefore, you can put out a toter plus one (1) bag of garbage.

When there is a holiday on a weekday, collection will be one day late after the holiday. The holidays observed by Republic Services are:

New Years Day • Memorial Day • July 4th (if it is a weekday) • Labor Day • Thanksgiving • Christmas Day

For example: Thanksgiving Day is a Thursday. Therefore, the regular Thursday collection will take place on Friday and the regular Friday collection will take place on Saturday.

A frequently asked question is what to do with paint cans. If there is paint in the can, add some sawdust or kitty litter to absorb the paint. Once that has been done, it can be put out with your regular trash.

Residents are permitted to put out **one (1) large item per week** as part of their regular trash collection. All items must be out at the curb by 6:00 a.m. (5:00 a.m. for Monday collection routes) on your regular trash collection day. It is suggested that items be placed at the curb the night before your collection day. **Please contact the Township Office at 717-244-3512 by 1:00 p.m. the day before your collection to inform us you will be putting a large item at the curb.**

**THIS COLLECTION DOES NOT APPLY TO THE TOWNHOUSES IN WINDSOR COMMONS APARTMENTS AND LION'S GATE (FORMERLY WINDSOR POINTE).**

### ITEMS WHICH WILL BE COLLECTED PER HOUSEHOLD:

- a. Furniture (sofa, chair, etc.)
- b. White goods (stove, water heater, etc.)
- c. Carpet – rolled, tied in 4 ft. lengths – Maximum number of rolls is 4
- d. Mattresses & Box springs (**Must be wrapped**)
- e. Car tires only, **must be off rims**. (No large truck tires)

### ITEMS WHICH WILL NOT BE COLLECTED:

- a. Construction debris (drywall, tile, shingles, bricks, etc.)
- b. Batteries and automobile parts
- c. Treated lumber & roofing shingles
- d. Hazardous materials (Pesticides, propane tanks, etc.)
- e. Tree stumps and other woody waste
- f. Electronics

REMEMBER: Due to the "Covered Devices Act", electronics **will not be** collected as part of our trash/large item collection program. They cannot be disposed of at Pennsylvania waste disposal facilities. They must be recycled through an approved recycler or recycling program. Please see the article in this newsletter on electronics recycling.

# WINDSOR TOWNSHIP RECREATION

## RECREATION DIRECTOR'S MESSAGE

Community Members,

Another amazing summer is in the books! As you prepare for the upcoming fall and winter seasons, consider some Windsor Rec programs to fill out your schedule. Whether it is youth sports, camps and clinics, or bus trips, we have something for everyone!

Our year-round youth sports programs and camps are flourishing. We currently have 31 youth activities for 2025 with over 2,000 registrants. This number represents young people who were given the opportunity to exercise, develop skills, socialize, and make new friends through Windsor Rec youth programs. This feat could not be possible without the support of our communities' families and, most importantly, without the hundreds of volunteers who give up their time and energy on behalf of children in our community. Windsor Rec is continuing to grow because of the support of our residents. We want to say thank you because we couldn't do it without you!

As we gear up for 2026, we're anticipating the completion of the new Windsor Township Community Center on Lombard Road. The addition of the full-size gymnasium, a multi-sport indoor turf fieldhouse and a social hall will allow us to implement more programs and activities for our community. Please follow Windsor Recreation on social media outlets to follow the progress of this exciting venture.

As always, if there are any programs that you would like to see offered, I encourage you to contact the Windsor Rec at 244-3512 or by email at [recdirector@windsorrec.com](mailto:recdirector@windsorrec.com)

Thank you,

*Christopher Shaffer*  
Recreation Director
