

WINDSOR TOWNSHIP AND RECREATION COMMISSION

A message from the

Windsor Township Board of Supervisors

**RECREATION
INFORMATION
ON PAGE 15**

The 2022 Republican primary race for the 94th District of the Pennsylvania House of Representatives was a high-profile contest between incumbent Stan Saylor and Wendy Fink with Wendy winning.

The Township would like to thank Stan Saylor for all that he has done for Windsor Township during his twenty-nine years of service in the Pennsylvania House of Representatives. Stan has assisted the Township with securing grants as follows:

- more than \$6,000,000 for the construction of the Community Center;
- two (2) Pennsylvania Department of Environmental Protection grants for leaf trucks totaling \$307,000;
- a Community Development Block Grant for \$26,000 for the installation of ADA doors at the Township Office;
- a \$55,000 grant for the installation of a generator at the Township Office from the Pennsylvania Department of Economic Development;
- a \$30,000 grant to establish an Emergency Operation Center and provide radios for the Emergency Management personnel from the Pennsylvania Department of Economic Development; and
- \$141,000 grant from the Pennsylvania Department of Environmental Protection for the rehabilitation of the Windsor Wonderland playground area at Freysville Park.

Again, the Township wants to say THANK YOU to Stan and wish him luck in his future adventures. We look forward to having this same kind of relationship with Wendy.

Update on Community Center

We had hoped that the design and land development plans for the community center would have been finalized, bids opened and construction underway. Some issues have come up in the form of the Pennsylvania Department of Transportation (PennDOT) requiring that a left turn lane be added on Lombard Rd. for traffic coming from the Cape Horn area. Also, we are still waiting for the permits from the Pennsylvania Department of Environmental Protection (PennDEP).

The community center complex will consist of a community center, two (2) pavilions which can be rented, soccer fields, basketball courts, a play area, tether ball, open space and a walking trail. Inside the community center will be a gymnasium, a multi-activity room with a

turf type flooring so that it can be used for batting cages, baseball/softball practices, soccer practices and other activities; social hall; kitchen area and staff offices. The building plans are available at the Township Office if you would like to see what is proposed.

As noted in the Message from the Windsor Township Board of Supervisors, Representative Stan Saylor has secured an additional \$3,000,000 in Redevelopment Assistance Capital Program (RACP) grant funds for the construction of the community center. This brings the total RACP funds to \$6,000,000. At the time that this newsletter is being published, Representative Saylor is pursuing additional funds for the community center.

1st & 3rd Mondays at 6:00pm

Recreation Commission Meeting

2nd Wednesday at 6:00pm

Planning Commission Meeting

3rd Thursday at 6:00pm

Red Lion Area Ambulance Association

312 HORACE MANN AVENUE • RED LION, PA 17356

717-244-0983 • rlaaa@redlionambulance.com

Greetings Windsor Township!

Red Lion Area Ambulance Association (RLAAA) hopes everyone has had a safe and enjoyable summer. It's hard to believe fall and winter are here already.

As with First Capital (York Regional), Red Lion Ambulance is proud to serve the residents of Windsor Township. We will continue to strive to provide the best quality prehospital patient centered care as possible.

In the event you should need Emergency Medical Services, RLAAA, as well as First Capital; offers annual ambulance subscriptions to help offset the out-of-pocket expenses that insurance companies don't pay.

As a reminder, if you experience a medical emergency, please stay put and call 9-1-1. Please do not attempt to drive to the nearest ambulance station, as that ambulance may already be out on another call. The closest ambulance, to your location, will be dispatched.

RLAAA thrives on support from the community. With the increase of operational expenses such as equipment, supplies, education, and facility maintenance; community support is always welcomed and appreciated.

As the newly appointed Public Information Officer for RLAAA, I want to make sure you are kept informed about our service. Keep an eye out on our Facebook page for new and upcoming community classes and events hosted by RLAAA.

Serving our community, making a difference, one call at a time.

Be Smart, Be Responsible, Be Safe!

Hollie Englestad, Public Information Officer, RLAAA

CREDIT CARDS BEING ACCEPTED FOR PAYMENT OF QUARTERLY SEWER BILLS

Sewer customers can pay their sewer bill with a credit card. To make a payment with a credit card, go to the Township's website (www.windsortwp.com) and scroll down until you see the link for online sewer payments. VISA, Mastercard and Discover are accepted. There is a \$2.95 convenience fee per transaction. The maximum payment amount is \$350.00 per transaction.

Payments with a credit card are NOT accepted at the Township Office.

CHRISTMAS TREE COLLECTION

Christmas may seem like a long way off but it will be here before we know it. Christmas tree collection will be **Saturday, January 7, 2023. NOTE – This is a change from previous collections.** The tree must be free of ornaments, garland and tinsel. NO PLASTIC BAGS. The maximum tree height is 6 feet.

NOTARY SERVICE

Notary service is available at the Township Office free of charge as long as the document being notarized pertains to Township business such as an OLDS exemption certification. Please call the Township Office at **717-244-3512** to make sure that the notary is available.

Little Free Library at Freysville Park

A “Little Free Library” was added to Freysville Park last year. It is located at the pavilion next to the water fountain and along the walking trail. It is stocked with books for all ages. It operates on the “Take a book, Leave a book” honor system.

Stop and check it out. If you have books that you would like to donate to the Little Free Library, they can be dropped off at the Township Office. They will be added as space allows.

Kaltreider-Benfer Library
2110 Windsor Rd
(Windsor Manor Elementary School)

KBL is currently offering limited services at Windsor Manor Elementary School, 2110 Windsor Rd., while our library is being expanded and renovated. Library users should use the school’s Second Street entrance and rear door 5A to access the library.

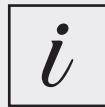

The library’s hours at Windsor Manor Elementary School are as follows:

- Mondays: 2:00 – 7:00
- Tuesdays: 9:00 – 2:00
- Wednesdays: 2:00 – 7:00
- Thursdays: 9:00 – 2:00
- Fridays: 9:00 – 2:00

Services offered at Windsor Manor Elementary School include the following:

- Checkout and drop-off of library materials
- Browsing of new items for kids and adults
- Browsing of large print books
- Pickup of library materials placed on reserve
- SummerQuest registration and activities
- Scanning, copying, and printing services

To see our full schedule, or to find out more, please visit us on the web at www.kaltreider-benfer.org or call us at **717-244-2032**.

Telephone: 717-244-2032
Email: kalib@yorklibraries.org
www.kaltreider-benfer.org

Windsor Wonderland

Windsor Wonderland was constructed in the mid-1990s. As components of the play structure break, we are finding that the component cannot be replaced or retrofitted with a new piece.

Last year, the Township applied for a PA Department of Conservation and Natural Resources (DCNR) grant to rehabilitate Windsor Wonderland by replacing the play structure, swings and picket fence as well as correcting the stormwater problem that makes the area unusable for several days after a large rainstorm. In late December 2021, a notice was received that a grant in the amount of \$141,000 was awarded to the Township.

We are hopeful that construction will begin later this year. Unfortunately, Windsor Wonderland will be closed during the four (4) to six (6) month construction period.

In an effort to return the pickets and bricks to the individuals who purchased them in honor of a loved one, the Township has scheduled two (2) dates/times that the pickets and bricks can be picked up. They are **Saturday, September 17, 2022, from 9:00 a.m. to 11:00 a.m. and Tuesday, September 20, 2022, from 4:30 p.m. to 6:30 p.m.** If you purchased a picket or a brick and are not able to come to Freysville Park on either of these dates, please contact the Township Office at **717-244-3512** and we will make arrangements to get it to you. Any pickets or bricks remaining at the end of November will be disposed of.

YORK COUNTY REGIONAL POLICE DEPARTMENT

33 Oak Street, York, PA 17402 • Chief Timothy L. Damon

The York County Regional Police Department is utilizing CRIMEWATCH and social media to assist the department and community with information sharing, crime prevention and crime mapping.

YCRPD

@YCRPD

@YorkCoRegPD

Please login, sign-up, and "Follow-us" to stay informed as news is happening in real time.

Visit our CRIMEWATCH website: www.ycrpd.org

COMMUNITY As of January 1st of 2022, we have been serving as a new department. The first year for York County Regional has been progressing very smoothly. The officers and staff of NE Regional and York Area Regional have been learning the needs of the new communities as we transition into one team.

CONGRATULATIONS OFFICERS The Police Department welcomes Officer Ryan Henry, Officer George "Chip" Rupp, and Officer Gabriel Rimolo who are all new to YCRPD. Welcome to the team and the community.

COMMISSIONER GRANHOLM We would like to thank Albert C. Granholm for his dedication and service to York Area Regional and York County Regional. He served as a commissioner from 2012 to 2022 and was instrumental in the creation of the new department.

EMPLOYMENT If you or someone you know are interested in a career in Policing, please visit www.yorkpolicejobs.org for employment opportunities across York County. Applicants may also apply directly to our website, www.ycrpd.org.

MENTAL HEALTH CO-RESPONDER July 19, 2022, marked one year since Co-Responder Angie Alvarez joined YCRPD. She was busy with 474 mental health contacts related to police calls for service. Co-Responders like Angie work to enhance the quality and quantity of mental health services provided to those in need while reducing the need for repeated Police responses to mental health calls. Angie is an employee of WellSpan Health and managed by York County MH-IDD. We thank Angie for an incredible first year.

MOUNTED HORSE UNIT We are in the process of creating a Mounted Unit for additional safety during planned events, protests, and crowd formations. One Horse and rider can do the work of several foot patrol officers while also allowing the mounted officer a visual height advantage over the crowd. This allows for a faster response and therefore a safer environment for everyone. We would also love to share the experience with the public by allowing stable visitations of the horse(s) and officers. This unit can only be possible with the support of our civic organizations, donations from businesses, persons involved in the equine industry, and supporters of law enforcement. Please check out our website to see how you may be able to assist. www.ycrpd.org

CRIMEWATCH CAMERA REGISTRY Turn Your Camera into a Crime Fighting Tool. Help us in preventing and solving crime using your security camera. It is simple, if an incident occurs near your device, we can identify and quickly request footage that may assist in an investigation. It is free, it is safe, and secure- at no time will the police have access to your camera without your permission.

K9 "Tango" WILL SOON GET A FRIEND

Electronics sniffing K9 "Tango" will soon have a K9 friend at the department. A School Resource K9 from Texas will be joining our team very soon. The new dog will collaborate with Officer Goodman to enhance the safety of our schools. Keep an eye on our website for updates and information. We will meet the new pup this Fall and hope to announce his/her name soon.

Mini stuffed- animal "Tango" dogs are now available at the department for sale, \$20 each. The proceeds will directly benefit the K9 program.

Building Permits

Building Permits are required for most projects. Contact the Township Office at 717-244-3512 if you have a specific project upcoming. Some examples that require permits are additions, sheds, carports, new or replacement patios or decks, resurfacing or enlargement of driveways, fences and above ground, inground or temporary swimming pools.

Windsor Township strives to process applications for permits as quickly as possible. It may take up to 15 business days to issue a Building Permit once it has been submitted. A completed application includes an entirely filled out application form and a plot plan for the entire lot identifying all existing and proposed improvements, including dimensions (length and width) on the lot (including house, driveway, sheds, patios, decks, sidewalks, etc). Depending on the project, additional information may be required for submission.

No work can be started until a Building Permit has been issued and the placard card has been placed in a location that can be seen from the street.

LEAF COLLECTION

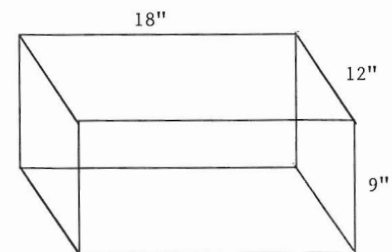

Leaf collection will run from October 17, 2022 through December 9, 2022. The Township uses a leaf collector that is self contained and is operated by one person. This eliminates the need for rakers. Remember to rake leaves as close to the edge of the blacktop/curb as possible in narrow rows away from fences, posts, poles or cars. Tree limbs, grass, shrubs and hedge trimmings, bricks, stones or any foreign objects are not to be deposited in the leaves. If foreign objects are found, the leaves will not be collected.

SPRING LEAF COLLECTION

The Township will hold a spring leaf collection program again next year. It will run from April 17, 2023 through April 28, 2023. All aspects of the fall collection will apply during the spring collection.

SHREDDING EVENT

The Township will again be sponsoring a shredding event. Due to the unavailability of a Saturday, it will be held on **Thursday, October 27, 2022 from 3:00 p.m. to 6:00 p.m.** at the Township Office located at 1480 Windsor Rd., Red Lion. This event is a free event for Township residents only. **Photo identification is required. NO BUSINESSES.** There is a two (2) box limit. A box is defined as 18 inches long/9 inches high/12 inches wide.

COMPACT FLUORESCENT LIGHT (CFL) BULB RECYCLING

Just a reminder that CFL bulbs can still be brought to the Township Office for recycling. Bring your unbroken CFLs to the Township Office during normal business hours and we will take it from there. Sorry, we cannot accept tube fluorescent bulbs. This is only for CFL bulbs.

7 Ways to Save the Bay

RECYCLE- The average American discards 1.5 tons of garbage a year. Recycle just one aluminum can and save enough energy to power a TV for 3 hours.

TAKE YOUR CAR TO A CARWASH- Your driveway is a first class, non-stop ticket to the Bay for dirt, soap and chemicals.

PICK UP AFTER YOUR PET- You wouldn't bathe with the bacteria and pollutants pet waste contains... Why swim with them, or eat fish that do.

BUY LOCAL FOODS- Did you know that most foods you eat travel 1,300 miles before they get to your plate? Buying food that's grown on local farms minimizes transportation-related emissions. It also keeps local farmers in business—which is good for Bay lands and, ultimately, Bay water quality.

PLANT A TREE- Clean the air, cool the earth (and your home). Provide habitat for wildlife.

CONSERVE WATER- Take shorter showers. Turn off the water while you're Brushing your teeth, washing your hands, or doing dishes in the sink. By reducing your use of water, you help wastewater treatment plants function more effectively by reducing the volume they process.

REDUCE ELECTRICITY- Besides auto emissions, coal-burning power plants are among the largest sources of mercury and nitrogen compounds in air pollution.

WINDSOR TOWNSHIP

1480 Windsor Road
Red Lion, PA 17356

Phone: 717-244-3512
Fax: 717-246-6172
info@windsortwp.com

Garbage and Large Item Collection

Just a reminder that there is a four (4) bag/container limit on your weekly trash service. Each bag/container, when filled, may not weigh more than 75 lbs. nor exceed a volume of 32 gallons. If you are using a toter supplied by Republic Services, the toter is considered 3 bags of garbage. Therefore, you can put out a toter plus one (1) bag of garbage.

A frequently asked question is what to do with paint cans. If there is paint in the can, add some sawdust or kitty litter to absorb the paint. Once that has been done, it can be put out with your regular trash.

Residents are permitted to put out **one (1) large item per week** as part of their regular trash collection. All items must be out at the curb by 6:00 a.m. on your regular trash collection day. It is suggested that items be placed at the curb the night before your collection day. **Please contact the Township Office at 717-244-3512 by 4:00 p.m. the day before your collection to inform us you will be putting a large item at the curb.**

THIS COLLECTION DOES NOT APPLY TO THE TOWNHOUSES IN WINDSOR COMMONS APARTMENTS AND LION'S GATE (FORMERLY WINDSOR POINTE).

Items which **WILL** be collected per household:

- Furniture (*sofa, chair, etc.*)
- White goods (*stove, water heater, etc.*)
- Carpet – rolled, tied in 4 ft. lengths
- Mattresses & Boxsprings (*Must be wrapped*)
- Car tires only, must be off rims. (*No large truck tires*)

Items which **WILL NOT** be collected:

- Construction debris (*drywall, tile, shingles, bricks, etc.*)
- Batteries and automobile parts
- Treated lumber & roofing shingles
- Hazardous materials (*Pesticides, propane tanks, etc.*)
- Tree stumps and other woody waste
- Electronics

When there is a holiday on a weekday, collection will be one day late after the holiday. The holidays observed by Republic Services are:

- New Years Day
- Memorial Day
- July 4th (if it is a weekday)
- Labor Day
- Thanksgiving
- Christmas Day

For example:

Thanksgiving Day is a Thursday. Therefore, the regular Thursday collection will take place on Friday and the regular Friday collection will take place on Saturday.

REMEMBER: Due to the “Covered Devices Act”, electronics will not be collected as part of our trash/large item collection program. They cannot be disposed of at Pennsylvania waste disposal facilities. They must be recycled through an approved recycler or recycling program. Please see the article in this newsletter on electronics recycling.

Eagle Scout Project

Earlier this summer, Owen Wersocki of Troup #50 organized the construction of a covered 2-sided bench near the tennis courts at Freysville Park. Owen raised funds to cover the cost of the construction through donations. He was assisted with the construction by family and friends.

PAINTING OF FIRE HYDRANTS

Chris Fife of Red Lion approached the Township expressing his desire to volunteer for any community service activity that the Township had available. It was decided that he would paint twelve (12) fire hydrants along Lombard Rd., Cape Horn Rd. and Kendale Rd. Thank you for reaching out to the Township!

ON-LOT DISPOSAL SYSTEM (OLDS) MANAGEMENT PROGRAM

Earlier this year residents within District #2 were notified of their requirement to comply with the OLDS Management Ordinance. District #2 covers all properties served by on-lot septic systems EAST of Rt.74 (Delta Rd.) and southeast of Rt.624 (Craley Rd.). If you received a notice and have not yet taken steps to have your system pumped/inspected and if necessary, brought to full ordinance compliance, please do so prior to the end of the year.

It has been brought to our attention that pumping companies are sending out letters that do not reflect our pumping cycles. Please do not have your septic system pumped without first getting a letter from the Township, unless it is necessary to do so. If you have your septic system pumped outside of your scheduled year, you will still be required to have your septic system pumped during your normally scheduled year.

If you have questions as to whether you have complied or what year you are scheduled to have your septic system pumped, please contact the Township Office. Noncompliance will result in penalties.

Woody Waste Drop-off and Curbside Collection

The Township is still offering a drop off location for woody waste. The woody waste drop off will take place the 2nd Saturday of selected months from 8:00 a.m. to 11:00 a.m. at the Public Works Building located at 970 White Oak Rd., Windsor. The drop off dates for the rest of 2022 and all of 2023 are as follows:

October 8, 2022	July 8, 2023
December 10, 2022	August 12, 2023
March 11, 2023	September 9, 2023
April 15, 2023 (NOTE: 3rd Saturday due to Easter Holiday)	October 14, 2023
June 10, 2023	December 9, 2023

The drop off is for residential woody waste only. Our employees will be on hand to assist with unloading the woody waste. **This service is available to Township residents only. Photo identification will be required.** There is a six (6) ft. length limit as well as a six (6) inch diameter limit. Woody waste brought to the drop off location does not need to be bundled. NO commercial businesses. NO grass clippings, tree stumps, sawdust, mulch, flower debris or bagged debris.

The Township will continue to provide a curbside woody waste collection during the months of May and November. The next curbside collection is scheduled for **Saturday, November 12, 2022 for the entire Township. NOTE: This is a change from previous collections.** The date of the spring curbside collection will be announced after the first of the year. These collections will deal with brush and tree trimmings only.

- The trimmings must be **bundled and tied with twine** in 4 ft. lengths or placed in a biodegradable bag. Biodegradable bags are sold at most home improvement stores. Woody waste may be considered contaminated if it is bundled with anything other than twine or is mixed with other types of solid waste. Contaminated woody waste would then have to be considered municipal waste and would require disposal at the incinerator. This of course would defeat the benefits of recycling woody waste.
- Material should be one quarter to three inches in diameter.
- There is no limit to the number of "qualifying" bundles or bags that can be placed out for collection.
- **NO TRIMMINGS IN GARBAGE BAGS OR CANS.**
- **NO GRASS CLIPPINGS.**
- **NO TREE STUMPS.**

ANONYMOUS COMPLAINTS

We have recently received complaints in the mail via anonymous letters. While we respect the fact that you may want to make a complaint about a neighboring property and remain anonymous, in order for the Township to address your concern we sometimes need more information than what is contained in the letter. If a letter is received that does not contain a contact name, phone number or email that we can contact you, the complaint will not be considered valid and will not be investigated.

WINDSOR TOWNSHIP FIRE & EMERGENCY RESCUE ASSOCIATION

The Township offered two (2) \$1,000 scholarships through the Windsor Township Fire & Emergency Rescue Association. To be eligible for the scholarships, the recipient has to be a member or family of a member who volunteers with one of the four (4) fire companies that serve Windsor Township.

At the Windsor Township Board of Supervisors meeting on July 18, 2022, the scholarships were awarded to Faith Golembiowski and Layla Sabold. Faith is currently attending the University of Valley Forge where she is pursuing a Bachelor's Degree in Social Work. Layla currently attends West Virginia University where she is pursuing a dual major in Criminology and Psychology. CONGRATULATIONS FAITH AND LAYLA!

Come to Windsor Commons Shopping Center on Saturday, October 1, 2022 from 10:00 a.m. to 2:00 p.m. to celebrate Fire Safety Week. There will be various pieces of fire equipment from the fire companies that serve the Township as well as fire helmets and more for the kids!

Alliance Fire & Rescue Services, Inc.

201 West Broadway, Red Lion, PA 17356 | 717-244-8811 | www.alliancefireandrescue.org

Alliance Fire and Rescue Services Inc. is looking for residents of the community to become active members of our organization. Have you ever thought about becoming a Fireman or EMT? No experience is needed! We will get you the training you need to be successful in helping others. We also have a need on our social side. We need help in our fundraising department to continue our Bingo events as well as serving on our Hall Rentals Committee just to name a few areas. If you've ever thought about helping as a volunteer either on the emergency side or social side...we need you!

Here at Alliance, we have a great Live-In Program at our Leo Station. Fireman are able to live free of charge while serving the community they live in by running fire and medical calls. There are private bunk rooms and showering facilities that have just been updated for this program.

We have two fantastic locations for weddings and other events! One at our Leo Social Hall in Red Lion, the other at our FireSide at the Fiddlers location in Brogue PA. Both locations are able to hold weddings, birthday parties, corporate events, HOA meetings and much more. Both locations have commercial kitchens with refrigeration and ample parking. Utilize our facilities to hold your events while supporting your local fire department.

Please watch our Facebook Page and our Website for upcoming Events and Fundraisers.

Lastly and most importantly, we would like to thank all the residents of Windsor Township for their continued support of our department as we strive to give the best emergency response to your needs possible. Without your support, it wouldn't be possible!

Passing of Former Supervisor Dean Heffner

Earlier this year, Dean Heffner passed away. He started with the Township as a member of our Sewer Department in 1986. Upon his retirement, he was elected to the Board of Supervisors. Dean served the Township for more than 35 years as an employee, Board member and a member of the Windsor Township Planning Commission. He was also a part of the design team for the construction of the Public Works Building as well as

the Community Center. His dedication and passion for the Township and its residents were shown in many ways. Dean was re-elected to the Board of Supervisors in November of 2021. Unfortunately, he was not able to serve the entire term and resigned in January of 2022. He passed away a month later.

In Memoriam

Laurel Fire Company

94 Schoolhouse Lane, Windsor, PA 17366 | 717-244-8184 | www.laurelfireco.com

UPCOMING EVENTS

24 September Chicken BBQ

Tickets can be purchased by contacting a member or calling the firehouse and reserving your dinner. 717-244-8184 or you can message Maureen at 717-818-0403

9-15 October Fire Prevention Week

Nightly activities; community events; recruitment sessions and much more. Please check out our Facebook page for more details.

November Thanksgiving Dinner Food Drive

All donations can be dropped off at the firehouse any Thursday after 6:30 p.m. List of items needed is on our Facebook page. **All donations due by Friday, November 18**

December Tree Trimming

The community is invited to attend a tree trimming at 10:00 a.m. Decorations will be made at this time and hung on the tree. At 5:00 p.m. there will be an outdoor tree lighting. Feel free to stop by and share in the holiday festivities.

Looking ahead to 2023, you can expect soup & sandwich sales, raffles and more delicious BBQ's to come. Be sure to continue to visit our Facebook page to stay current with all our upcoming events.

We look forward to seeing many of you at our future events and would love to have you as a member. Our firehouse is only as strong as its members.

Thank you for your continued support.

Delinquent Sewer Bills and Water Shut Offs

Due to the number of properties in the Township that are delinquent on their quarterly sewer bills, the Board of Supervisors entered into agreements with the York Water Company and the Red Lion Municipal Authority to shut off public water to properties that are delinquent on their sewer bills. Any delinquent account that has not been paid within thirty (30) days of receiving the next quarterly bill will receive a notice that the delinquent amount is due within thirty (30) days. If the delinquent amount is not paid in full by the due date, water termination procedures will be started.

The water termination process is as follows:

- A ten (10) day notice is mailed and posted at the property requiring **payment in full plus an administrative processing fee which is an additional \$30.00**. Payment must be made at the Township Office by either cash or money order. Personal checks as well as online banking checks will be returned.
- Once seven (7) days have passed and payment in full plus the administrative processing fee have not been paid, a three (3) day notice is posted. Another \$15.00 is added to the amount owed. Again, **payment must be made in full plus the administrative processing fees** at the Township Office by either cash or money order. Personal checks as well as online banking checks will be returned.
- Once eight (8) days have passed and payment in full plus the administrative processing fees have not been paid, a 48-hr. notice is posted. Another \$15.00 is added to the amount owed. Again, **payment must be made in full plus the administrative processing fees** at the Township Office by either cash or money order. Personal checks as well as online banking checks will be returned.
- Once the ten (10) days have passed and payment in full plus the administrative processing fees have not been paid, the appropriate water company is contacted to shut off the water. The cost to shut off and restore water service is a total of \$30.00 for the York Water Company and a total of \$70.00 for the Red Lion Municipal Authority. Again, **payment must be made in full plus the appropriate shut off/restoration fee and administrative processing fees** at the Township Office by either cash or money order. Personal checks as well as online banking checks will be returned.

We encourage the payment of the quarterly bill by the due date to ensure that there will be no interruptions of your water service.

If you mail your payment, pay at the Township Office or pay at PeoplesBank, it is important to include the bottom portion of the invoice as it contains your account number. At the least, please write your account number on your check.

Recycling Program

The restrictions on contamination placed on recycling materials exported to China continue to be in effect. The materials accepted by our recycling program have been reduced.

Only the items listed in the columns on the right are a part of the program.

Wheeled toters with lids are still available for your recycling.

The toters are 35 gallon in size and cost \$26.50. The smaller open recycling bins are still available for those who do not wish to purchase one of the wheeled toters. There is a cost of \$10.60 for the open bin. Payment needs to be in the form of cash, check or money order.

Just stop by the Township Office during normal business hours to get one. We ask that you paint your street number on the recycling container that you use. The Township will not replace lost, stolen or damaged toters or bins.

Must I Recycle?

Yes. Pennsylvania law requires all Windsor Township residential and commercial properties to recycle. All recyclable materials must be removed from the regular trash. This is not only the right thing to do environmentally, but it saves money in disposal costs.

As in the past, recycling should not be put out for collection in plastic grocery bags. It will not be collected.

The recycling and trash collections are provided to the residents of Windsor Township at NO CHARGE. The cost of collection is paid by Modern Landfill as a part of the Host Community Agreement.

Acceptable Items

- Aluminum food and beverage containers with food debris removed. Labels do not need to be removed.
- Glass food and beverage containers with lids and food debris removed: Clear, Brown, Green. Labels do not need to be removed.
- Natural and pigmented plastic narrow-neck containers with symbols 1,2,5 (milk bottles, water bottles, etc.) Lids and food debris removed. Labels do not need to be removed.
- Ferrous (Iron, steel, tin) cans with food debris removed.
- Newsprint – black and white or pigmented.
- Beverage cartons (milk, orange juice, etc.)
- Corrugated cardboard cut down small enough to fit into the recycling bin.

Non-Acceptable Items

- Construction paper, craft paper, cereal boxes, shoe boxes, or similar.
- Printer paper, computer paper, copy paper
- Junk mail
- Magazines, catalogs
- Phone books
- Aerosol cans
- Window or auto glass, drinking glasses, mirrors
- Light bulbs
- Microwave trays, glass cookware/ bake ware
- Plastic bags
- Styrofoam salad/deli containers
- Household items such as cooking pots, appliances and aluminum foil
- Batteries
- Scrap metal

Electronics Recycling Collection

The Township will continue to provide an electronics event twice a year, in the spring and fall. The April event was very successful. The Township would like to thank Boy Scout Troop #155 and their leaders for their help.

The October collection date is Saturday, October 15, 2022 from 9:00 a.m. to noon at the Public Works Building located at 970 White Oak Rd. This service is available to Township residents only. Photo identification will be required. Check the Township website (www.windsortwp.com) next year for the spring date.

Materials accepted includes televisions, desktop and laptop computers, computer monitors, peripherals (mouse, keyboard, printer, etc.) as well as cell phones, vacuum cleaners, alarm clocks, irons, coffee makers or anything with a plug that does not contain Freon. Examples of items containing Freon include refrigerators, freezers, air conditioners and dehumidifiers.

If you have electronics to dispose of either before or after our event, the York County Solid Waste Authority accepts electronics free of charge to York County residents ONLY. They are located at 2651 Blackbridge Rd. (Toronita Street off Rt.30). When you arrive at their facility, go in the main entrance and proceed to the scales. You will then be directed to the small load drop-off facility. They can be reached at 717-845-1066 for their hours and what items they accept.

Drug Take Back Box

Several years ago, a Drug Take Back Box was installed in the lobby of the Township Office courtesy of the York County Regional Police Department. It is available during our normal business hours. Remove your personal information from the containers then place your unwanted or expired medications in the box to help prevent dangerous accidents with the children in your household.

Accepted

- Prescription medications (Controlled and Non-controlled substances)
- Over-the-counter medications

Not Accepted

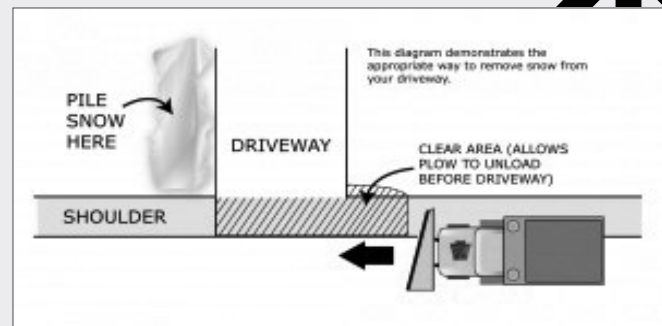

- Illegal drugs
- Needles
- Lotions or liquids
- Inhalers
- Aerosol cans
- Thermometers
- Hydrogen peroxide

Winter Tips

Below are some helpful reminders of municipal regulations and practices related to winter precipitation:

- Once a Snow Emergency has been declared, all motor vehicles **MUST** be removed from all Township streets to allow road crews to properly remove snow from the roads. The Snow Emergency will be announced on the local television stations as well as on our website and Facebook page.
- Snow Emergencies are typically declared when significant amounts of snow are being forecasted. We are noticing that more and more cars are being parked on the street during snow events which makes it harder for the trucks to plow. Based on this, a Snow Emergency may be declared more often for lesser snow storm events.
- Please do not deposit any snow onto public streets; this act is prohibited by the Snow Emergency Ordinance.
- Sidewalks must be kept clear of snow/ice within 24 hours after each storm event to provide pedestrian access regardless of whether a snow emergency has been declared.
- If you see that a neighbor hasn't removed the snow/ice from their sidewalk, check with them to see if there are health problems that have prevented the sidewalk from being cleared. If there are health problems, enlist the help of other neighbors to get the sidewalk cleared before calling the Township.
- If you go out of town during the winter months, have a plan in place with a neighbor or friend to remove the snow/ice from your sidewalk.
- If the Township Office receives a complaint that a sidewalk is not cleared of snow/ice, the entire development is checked for compliance. The Township **does not** remove the snow/ice from the sidewalk.
- If you live near or have a fire hydrant on your property, please keep it cleared to allow emergency services to be able to quickly locate and access them in case of an emergency.
- Check your mailbox post to see if it needs to be replaced. As of August 2014, the Township will not compensate property owners should their mailbox be damaged during snow removal.

2724 Craley Road, Wrightsville, PA 17368
717.244.0340 | sasc-craley.org

The Susquehanna Area Senior Center (SASC) is a place where people aged 60 and over can attend to participate in activities, programs, fitness classes, trips, wellness opportunities, and share a hot lunch daily with friends. Membership is free and the benefits are endless. SASC is a center where members are making a difference!

	Conduct-A-Move	10:00 am
Friday	Basketball Free Throw	9:00 am - 11:00 am

Other activities: Cooking and tastings, Chair Volleyball, and Daily Socialization, Walking, Puzzles, and other games available.

BURNING ORDINANCE

The Burning Ordinance was amended several years ago to allow for "Confined" burning within fifty feet (50') of a building. This pertains to chimineas and similar structures that are less than 55 gallon in size and have a cover to prevent fly ash. The twenty-five foot (25') setback from adjoining property lines still applies to both open and confined burns. Regardless of whether a "confined" or "open" burn is taking place, residents are required to call into York County Control (911) both prior to the burn beginning and again upon extinguishing the burn.

Lastly the Ordinance was amended so the Fire Departments have the authority to enforce the Ordinance and that both the Fire Departments and/or the Police Department have the right to extinguish any burn they feel is unsafe or in violation of the Ordinance. If you have additional questions, please review the Ordinance that can be found on our website (www.windsortwp.com) and/or contact the Township office.

Spotted Lanternfly

Frequently Asked Questions

What is a spotted lanternfly (SLF) and where did it come from?

The SLF is an invasive planthopper (a type of insect) in the U.S., first found in Berks County, PA in 2014. It is native to certain parts of Southeast Asia.

How do I identify a SLF, what do I look for?

SLF go through five (5) stages of growth after hatching from eggs. The first four (4) stages are called nymphs, which are incapable of flight. The young nymphs are black with bright white spots and are roughly the size of a pencil eraser. The next stages of growth are similar but the nymphs become larger. The fourth stage of SLF, prior to adulthood, is vibrantly red with distinct patches of black and equally distinct bright white spots. The adult SLF is about 1" long. Adults have grey wings with black spots. When the SLF opens its wings, it reveals a bright red underwing. SLF live through the winter only as eggs. Adults lay eggs in masses in the late fall on trees, under bark, posts, lawn furniture, cars, trailers, outdoor grills and on many other surfaces.

Are they a threat here?

SLF feed on the sap of a plant and when there are high populations of them, they can cause significant damage. They feed on over 70+ plants, including important forestry and agricultural crops. The most damage to date has been observed in vineyards, ornamental nurseries and people's backyards.

Are SLF dangerous to pets?

SLF do not bite or sting humans or pets. No known toxins have been found in SLF to date. Pets are naturally curious and often ingest things they shouldn't, meaning there's a possibility your pet will try to taste one. The safest course of action is to keep pets away from living or dead SLF. If the pet does ingest anything outside their normal diet or is showing signs of injury or illness, consult with a veterinarian right away.

Do SLF kill trees and plants?

To date, SLF have only been seen to kill sapling trees, sumac, grapevines and tree-of-heaven. Healthy and established ornamental trees have not been recorded to have died from SLF though canopy dieback and plant health decline has been observed, particularly on some of SLF favorite spots including black walnut and maple.

Why are there so many SLF on my buildings?

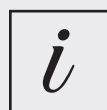

In the late summer and fall, you may see adult SLF on the side of your buildings, telephone poles or other structures. This is most likely driven by SLF being attached to tall objects either to have a meal or to use as a launching post.

Do I need to scrape egg masses into a container with rubbing alcohol or can I just scrape them on the ground?

Egg masses need to be permanently submerged in rubbing alcohol to kill them. Eggs that have been scraped onto the ground can still hatch. It is important to follow all recommended steps of egg removal!

Does the SLF have natural enemies?

Some insect predators such as spiders and praying mantises have been found to attack SLF. Recently birds have also been found preying on SLF. More research is being carried out but these predators alone are unlikely to reduce or eliminate SLF from an area.

More information on spotted lanternflies can be found on the Penn State Extension website;
www.extension.psu.edu

Modern Landfill Eastern Expansion

A portion of Modern Landfill on Mt. Pisgah Rd. is located within Windsor Township. There is also a portion of the landfill located in Lower Windsor Township. As a host municipality, Windsor Township has a Host Community Agreement with Republic Services which owns Modern Landfill.

Modern Landfill is proposing an eastern expansion into Lower

Windsor Township. The expansion is being proposed as there is only approximately three (3) years of storage capacity remaining at the landfill. Their first step was to negotiate a Host Community Agreement with Lower Windsor Township. After much discussion, the Lower Windsor Township Board of Supervisors decided in December of 2020 to not move forward with a Host Community Agreement.

As of the publishing of this newsletter, discussions between Lower Windsor Township and Modern Landfill have not resumed.

Golden Connections Community Center

20-C Gotham Place | Red Lion, PA 17356 | 717-244-7229

Kasie Ream, *Director of Social Services* | socialservices@gcccenter.com

What does the Golden Connections Community Center offer?

Since our founding, the goal of the Golden Connections Community Center has been to assist and empower the older adults of the Red Lion and Dallastown Area to remain part of a thriving community environment for as long as they are willing and able. The COVID 19 Pandemic has offered many challenges throughout the past year, but the GCCC has thrived and adapted to the changes. The Golden Connections Community Center will continue to offer outdoor and virtual classes as it moves towards a reopening plan to welcome members back into our facility. For a full list of programs and activities, please visit the GCCC website at www.gcccenter.com or contact the center directly at 717-244-7229.

Activities include those that respond to the social, cultural, economic, emotional, and physical needs of the older adult, thus encouraging independence, stimulating growth, alleviating loneliness, and providing volunteer opportunities. Counseling, referral services, and provision of home delivered, and congregate meals are also an important part of our mission.

You can come visit the Golden Connections Community Center Monday thru Friday from 8:30 a.m. to 2:30 p.m. at 20 Gotham Place, Red Lion or visit our website at www.gcccenter.com.

Golden Connections Sponsorship Program

The Golden Connections Community Center has seen great success in the new Center Sponsorship Program this year. The Sponsorship Program enables businesses in our community to branch out to our older population, who often do not venture far from home. Businesses in the community can purchase a sponsorship from the center and then we will aid them in promoting their company within our center and activities. Profit from the sponsorship will go to benefit the centers programs. The Sponsorship Program serves both the local businesses and the senior population. Businesses are able to connect with older adults and the older adults receive not only great information and opportunity to learn more about services offered, but also they are able to continue enjoying the programs and activities offered at the center, that these sponsorships funded. If you have an interest in becoming a sponsor then contact Kasie Ream, Director of Social Services, at 244-7229.

Rentals

Looking for a space to rent for your family reunion, baby shower, birthday party, or any other upcoming event you plan on throwing, then look no further. The Golden Connections Community Center offers space to rent for all types of events. You can rent our building, which offers two spacious rooms, and access to tables and chairs for only \$50.00 per hour. Dates fill quickly, so if you have need for a rental space, contact Kasie Ream, Director of Social Services, at 717-244-7229.

The Golden Connections Community Center is in part funded by the York County Area on Aging

LONGABERGER BASKET BINGO TO SUPPORT LOCAL SENIOR CENTER

The Golden Connections Community Center is hosting a Basket Bingo fundraiser on Saturday, November 5th, 2022, at the Golden Connections Community Center, 20 Gotham Place, Red Lion, PA 17356. Doors will open at 12:00 p.m. and the bingo will start at 2:00 p.m.

The cost for the ticket will be \$12 in advance or \$15 at the door. Tickets can be purchased in advance by calling Heather Goebeler, Executive Director, at 717-244-7229 or go online to www.gcccenter.com/shop/. Your ticket cost will include 20 games of regular bingo. Special Games, raffle tickets, and small games of chance will also be available for purchase.

All proceeds from the bingo and the concessions will be used to support programs and services that benefit older adults in our community.

WINDSOR TOWNSHIP RECREATION COMMISSION

A message from the **Recreation Director**

Community Members,

I hope that everyone had an enjoyable spring and summer! Now we head towards fall and the holiday season! It sure was a busy spring and summer for Windsor Rec. From youth sports including soccer, baseball, and softball- we had over 700 participants in our programs this past spring. 700 players necessitates a need for many volunteer coaches. We'd like to thank everyone that has volunteered for Windsor Rec programs thus far in 2022. We wouldn't be able to operate such a large and successful recreation department without your help!

We've got some exciting things happening in Windsor Township. We are still working to replace the playground at Windsor Wonderland this fall! In addition to an all-new main play structure, we've added two seating areas with shade, two standalone pieces of equipment (one called a treetop spinner that I think is going to be very popular), a climbing structure for the younger children, and something we're super excited about- poured in place rubber surfacing!

Next, plans continue for the community center that will be built at the former Spring Valley Pool property on Lombard Road. While this project is taking significantly longer than originally anticipated, we are still working hard to get it done for our community. The proposed complex will greatly enhance our offerings to Windsor Township and surrounding community members. The community center complex will consist of two pavilions, soccer fields, basketball courts, an open play area, tether ball, and a walking trail. Additionally, inside the center will offer a full size gymnasium, social hall, batting cages, kitchen area, and staff offices. To say we are excited about this project is an understatement. We'd like to thank Representative Stan Saylor who has helped Windsor Township to secure \$6,000,000 in Redevelopment Assistance Capital Program grant funding towards the cost of the community center. Representative Saylor is currently pursuing additional funding for the community center as well.

Be sure to keep an eye on our website at **www.windsorrec.com** for any new and exciting programs that we may be offering in late 2022 and 2023. If you personally have a special talent or hobby that you would like to share with the community, please reach out to Chris at **recdirector@windsorrec.com** to see how we can partner.

Thank you,

Christopher Shaffer

THE RED LION
MUNICIPAL AUTHORITY

2022 Watershed Weekend Event

September 17, 2022
12 noon – 4:00 pm

Tour the Cabin Creek Water Treatment Plant

The Red Lion Municipal Authority wishes to invite anyone interested, to attend a tour of the Cabin Creek Water Treatment Plant. Interested parties should meet at the Windsor Church of God, located at 1125 Manor Rd, Windsor, PA 17366 on September 17, 2022, from 12 noon – 4 pm.

The purpose of watershed weekend is to increase public awareness about the importance of local water sheds to community health, sustainable economies, and the environmental quality of the Chesapeake Bay. Participants can get to know their watershed and the folks and organizations who are working hard to enhance, restore and protect them.
