

# *Great News!*

## Windsor Township Residents

York Waste-Republic Services, will be delivering one **FREE** 96 gallon trash cart to each Residential Dwelling in Windsor Township. Deliveries will be between

Late-August through September 2012.

- Cart holds (3)-32 gallon bags of trash.
- Weekly service will be cart +1 (32 gallon) bag.
- Carts are very *Safe, Clean, and Efficient*
- Easy to use on wheels with lid
- See back side for more details and instructions for placement
- All maintenance of cart is provided by York Waste-Republic Services

### Current Cart Customers:

If you are currently being billed quarterly for cart rental this charge will be removed effective 7/31/12 and you will not be receiving any additional invoices. You may continue using the cart you currently have at your property.

- If you recently received an invoice for August-September- October 2012 please disregard.
- If you recently sent payment for this billing period a full refund will be issued.

Please **ONLY** call once the cart is delivered and you decide that you *can not use* the cart at your home.

Respectfully,  
Customer Service

### CONTAINERIZED TRASH COLLECTION

#### FAQ's

Question	What is the additional charge for this service?
Answer	There are no additional charges to the residents or the township

Question	Is it mandatory for the residents to use only the carts for their trash set out?
Answer	It is NOT mandatory to use the carts, however it is encouraged.

Question	When will the carts be delivered to our home?
Answer	Carts will be delivered starting Late August through September 2012

Question	What if I change my mind and I don't want to use the carts after they are delivered?
Answer	Simply contact York Waste and they will come back and take the carts away. 800-210-9675

Question	When can I start using the cart?
Answer	You can start using your carts immediately.

Question	What if I have more trash than will fit in the cart?
Answer	The mobile carts used for trash collection have a capacity of 96-gallons, the equivalent of three (3) standard thirty-two (32) gallon trash bags or cans. <b>Your service level is Cart + 1 Bag weekly.</b> Extra service tags are available @ \$4.00 per tag.

Question	What is the size of the cart?
Answer	96 Gallon 43 inches tall, 24 inches wide, 35 inches deep, 51 lbs.

Question	How should I set out the cart so that it can be safely serviced?
Answer	Place cart so that the handle faces away from the street Place cart wheels at curb or against property line Allow 3 feet clearance on all sides
